BY PERMISSION OF BOUSSOD VALADON & CO.

"AS THEY DANCED THEM A MEASURE ON CHRISTMAS NIGHT."

FROM A PAINTING BY TOUDOUZE.

SONATA

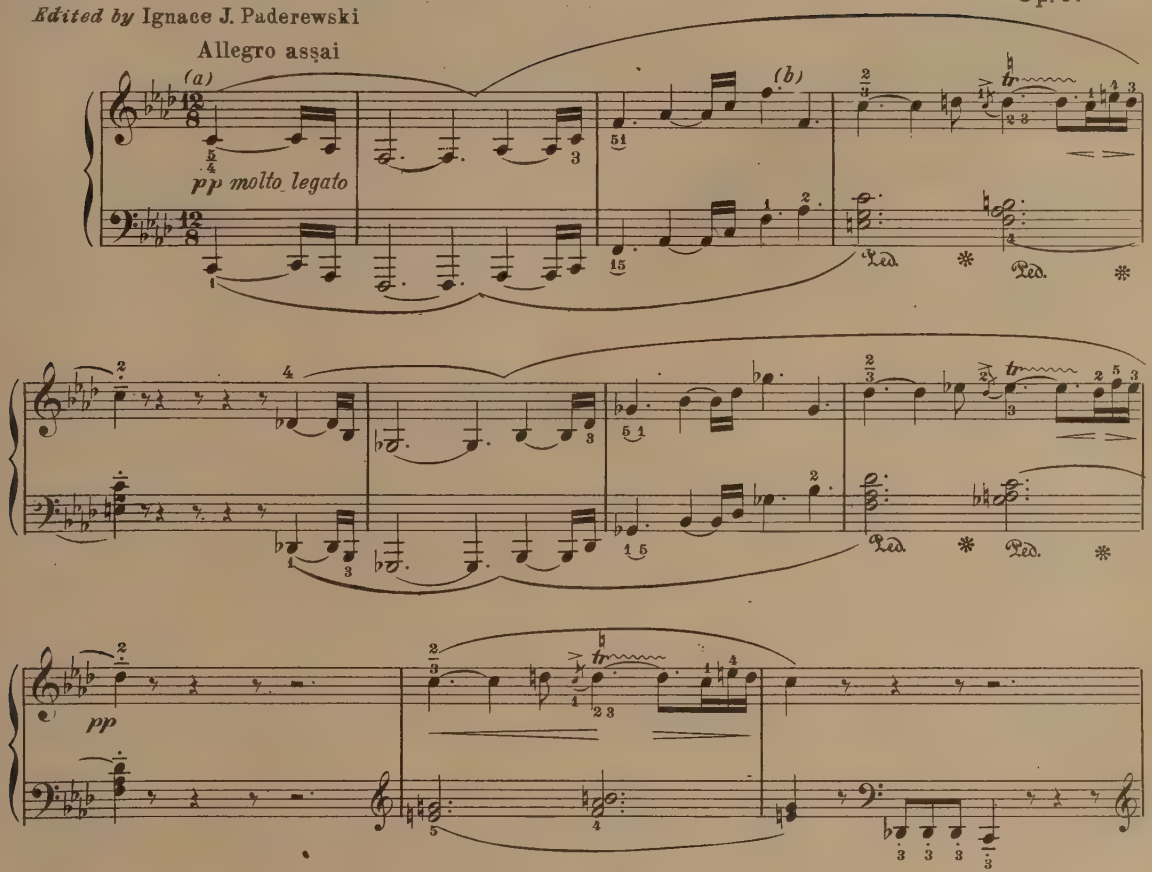
F MINOR

(Appassionata)

Edited by
Felix Borowski

BEETHOVEN
Op. 57

From the CENTURY LIBRARY *of* MUSIC
Edited by Ignace J. Paderewski



(a) The first three notes of the theme ♩ ♪♬ | 𝅗𝅥. ♩. seem to be an invocation wrung out by agony; as if Beethoven had exclaimed, "O my God!" and then gone on in the words of the Psalm, "From the depths have I cried unto thee, Lord, hear my call." The triplet figure ♪♪♩ which presently enters, and which, when used elsewhere Beethoven is said to have explained as "Fate knocking at the door," supports the idea.

(b) Riemann closes his second phrase at this point, assigning the following note to the third member of the group of three. The musical thought is thereby saved from a sudden break, at the beginning of the next measure, into two unrelated fragments. The motif ends on the following C.

p

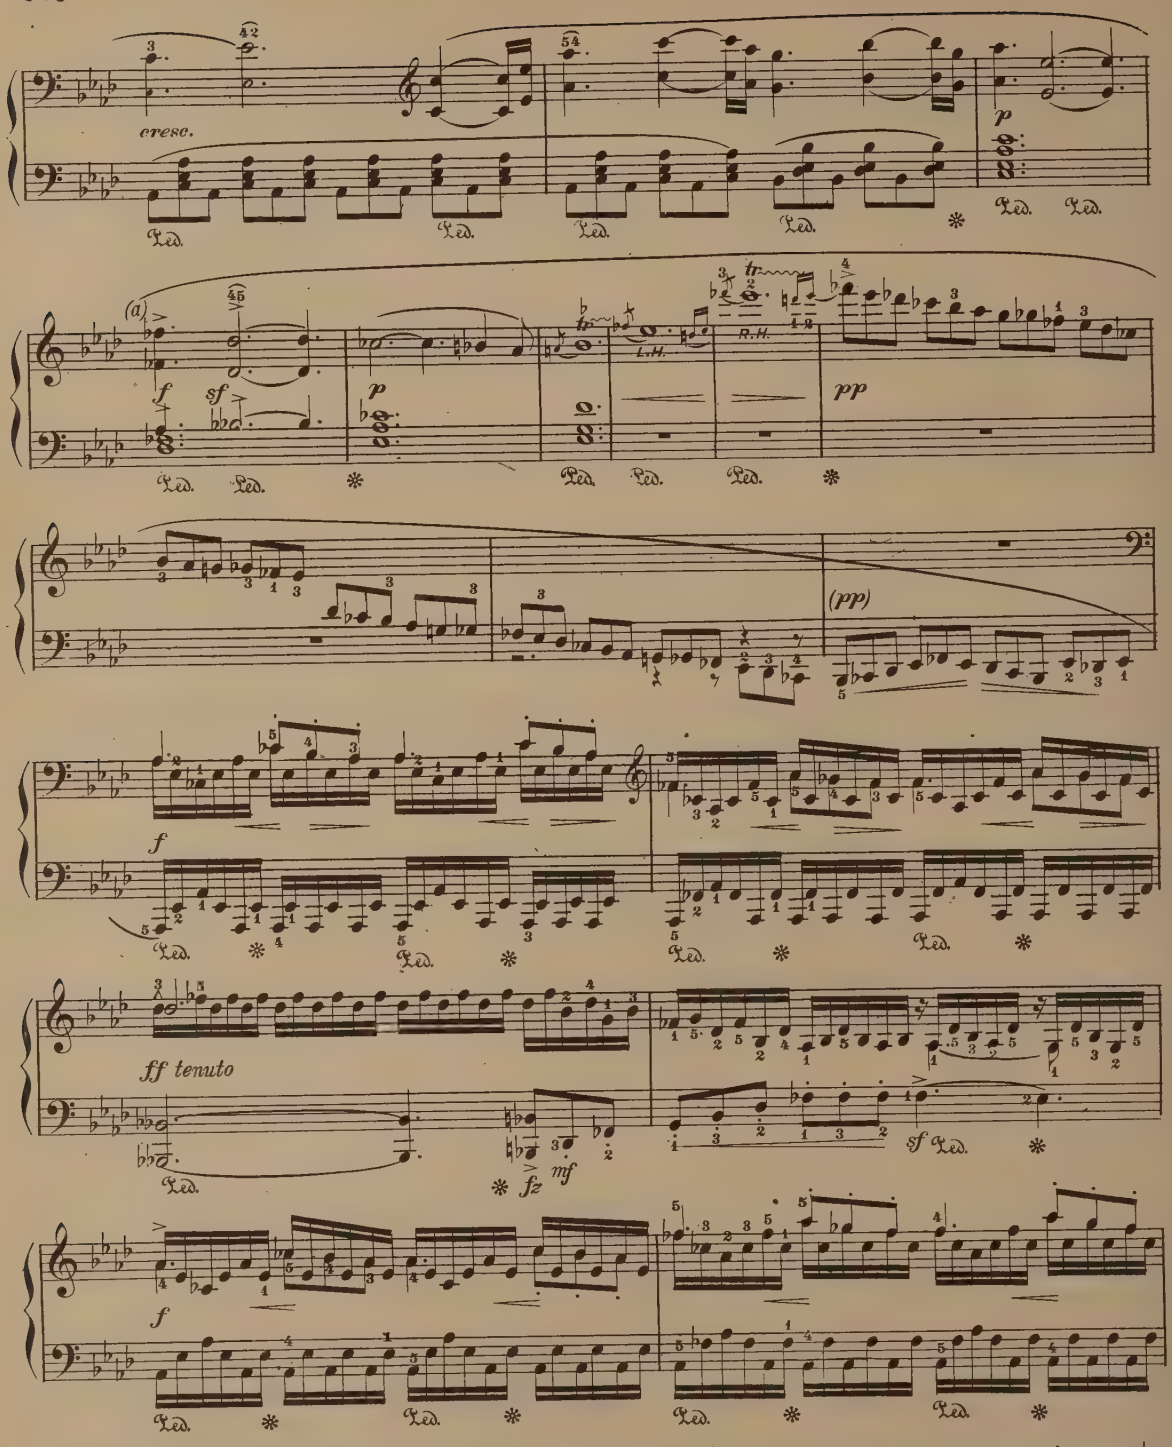
(a) Riemann, to whose fearless good sense every succeeding editor of Beethoven is under unceasing obligations, suggests that the following phrase may begin on the half note. This note is certainly syncopated. It may perhaps be considered as a tympanum beat. Compare the Wedding March in Lohengrin. If the theme is an inversion of the motif which begins the sonata, as Bülow suggests, then the half note belongs to the second phrase rather than the first. But the real question is, which is the nobler interpretation. The vulgarity with which this melody is often uttered in the concert hall becomes impossible when the half note is regarded as an initial rather than a final note. The phrasing of the bars must of course be affected by the reading adopted.



(a) Beethoven works out into a grand cadenza the natural close of the theme:
